About Us

PT. SURYA DWI UTAMA is a premium supplier in Indonesia offering an extensive range of high quality product and superior after sales service.

We set high standard in everything we do and determine to bring the best quality and service in the electrical industry.
Build a strong relationship with our customer is our priority.

Vision

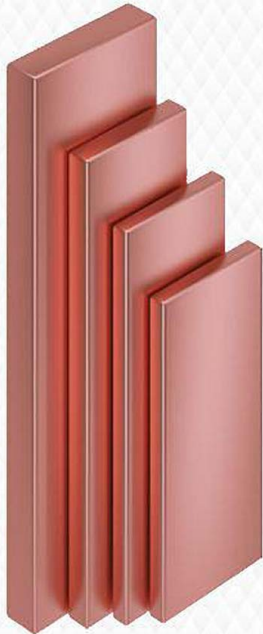

To become a leading electrical industry company in Indonesia and suppliers who prioritize the best quality of product and services with international reputation.

Mission

Grow local wealth and give communities a greater quality of life.
Have a strong competitive capability to serve both national and international customers
